

Norwood Football Club 2025 Membership Frequently Asked Questions:

How do I know if I am a renewing member?

Any 2024 member that purchases a membership for the 2025 SANFL Season is considered a renewing member.

When will I receive my membership pack?

If you purchased a 2025 Membership, you can expect to receive your pack between late February and end of March. If you purchased after mid-February 2025 you can expect to receive your 2-3 weeks after the time of purchase. It is the intention of the club to ensure all members receive their member packs prior to season commencement. In the event this is not the case, entry tickets to any match usually covered by your membership will be made available until you receive your packs and relevant season tickets.

It is mid-March 2025, and it has been more than 3 weeks since I purchased and I still have not received my Membership?

There are many factors at the start of a season as to why you may not have received your membership. We cannot send packs until we receive your home match and season tickets from the SANFL, so there may be a hold up with us receiving these. Also, there may be a delay from our supplier of items in the membership packs. If you have concerns and it's past mid-March 2024, please call 8362 6278 for any questions you might have on the status of your membership pack and for an updated date you can expect to receive your pack.

What is a valid concession?

Holders of a current Pension Card (aged, senior or disability) or Veteran Affairs Card are eligible, as well as students who hold a full time Student Card for 2025. Please notify the club of your concession type and relevant card number on application to avoid any delays in receiving your 2025 membership.

All concession home match ticket or season ticket members must have identification available for presentation upon entry on match day when requested whilst at the ground.

Does my membership grant me access to away games?

If you have purchased a membership that includes entry to both Home and Away matches you will be able to attend all Norwood Football Club Home and Away matches.

Why should I register an email address?

The Norwood Football Club is always looking for ways to reduce our environmental impact. Eliminating the need for printing and paper is just one way we do so, therefore things like membership confirmation information and Tax Invoices are sent by email.

Email also allows for a more timely and efficient way to communicate with members. Please assist us by providing your email address when completing your membership application form and we will be able to keep you updated on the latest news from the

club which will include unique content, special offers including any member specials. You will be able to opt-out from any of our email communications by clicking on the unsubscribe link on the bottom of our emails.

How can I update my personal and payment details?

To update your member details, log into your online account or contact the membership team on 8362 6278. Your login information is set-up when your first become a member or purchase merchandise online and sent to you in an email confirmation to the email address provided by you.

Can my membership be automatically renewed each season?

Yes, it can. This can be selected at the time you sign up your membership this year. Just select auto renew when promoted or call the Club on (08) 8362 6278.

Can I set a payment plan for my membership?

Yes, you can. Our interest-free payment plan allows you to break down your payment into smaller amounts that are made via monthly instalments.

You can select the payment plan option at checkout page when signing up for applicable membership types online. Your membership fee will be divided into four equal payments, automatically deducted from your chosen payment method each month.

If you prefer a different payment plan or have any questions, please contact us on (08) 8362 6278.

What discount do I get on membership?

Members receive 10% off all official merchandise online and when purchasing in our merchandise shop and game day booth.

Does my membership get me into trial games?

All SANFL trial games are free entry to any member or non-member.

What happens if the Western Stand is full on gameday?
